Patriotic Adding and Subtracting Mats

Prep - Work

- Print off the task cards on cardstock paper
- Cut out expressions and patriotic pictures
- You can laminate for extra durability if you so desire.
- Finally, you can add Velcro to the mats to add some extra fine motor skills. This will also keep the answer from sliding off the mats. But of course, this is optional.

How To Play

Have children place pictures and expressions on the correct numbers on the mat.
